Strophe 1:
I got some money wanna have some fun
Come on Baby rock me all night long

Tell me no lies, don’t make me be a fool
Let’s have some fun and gonna be so cool

Baby, gonna treat me just the whole night well
I will rock you, honey ‘til you cry like hell

Strophe 2:
Let’s take my Mustang, gonna have a ride
You will be happy, with my joy and pride

We will have a party gonna dance all night
Baby gonna rock me ‘til the morning light

Don’t have no worries, never leave you blue
If it’s gonna happen I will pay my due

Refrain:
Rock me baby, have some fun in town
Kiss me honey, ‘til the sun goes down
Love me baby, love the whole night through
Rock me baby, I will give it to you
