Strophe 1:

For you sweet mama I would go into jail
They could treat me like a monkey and I'd swing me my tail
There is nothing *(oh nothing)*, that I wouldn't do for you
Oh baby there's no end to the things that I would do.

Strophe 2:

I work 24 hours of a day for you
If there were any more, I'd work them too
There is nothing *(oh nothing)*, that I wouldn't do for you
Oh baby there's no end to the things that I would do.

Strophe 3:

I fight with a tiger and wrestle with a lion
If it makes you happy, if it makes you mine
There is nothing *(oh nothing)*, that I wouldn't do for you
Oh baby there's no end to the things that I would do.

Strophe 4:

I crawl across the country on my hands and my knees
To see you agree me with a hog and a squeeze
There is nothing *(oh nothing)*, that I wouldn't do for you
Oh baby there's no end to the things that I would do.
