I’ve got a Black Cadillac, I will never give him back
And in the backseats of my black Cadillac, there is a very hot Cat
Black Cadillac, Black Cadillac, Black Cadillac

Strophe 2:
When I go out with my Cat, ridin’ my Black Cadillac
My Heart goes boom and I am nervous , can feel the spirit in my neck
Black Cadillac, Black Cadillac, Black Cadillac
Black Cadillac, Black Cadillac, Black Cadillac

I love my little Baby and I love my Cadillac,
I need this crazy things of life
I need my little baby, and I love my Cadillac.
I’ll never give it back,
my only sweet Black Cadillac …
