Strophe 1:
Yeah, she’s 36 in the bust, 28 in the waiste,
44 hips she’s got real crazy legs
You upset me baby, yeah you upset me baby
Being hit by a falling tree, woman what you do to me

Strophe 2:
Yeah, she’s not too tall, complexion is fair,
man she drives me crazy like she wears her hair
You upset me baby, yeah you upset me baby
Knocking hit by a falling tree, woman what you do to me

Strophe 3:
It’s hard to describe, it’s hard to start,
I’d better stop because I got a weak heart
You upset me baby, yeah you upset me baby
Knocking hit by a falling tree, woman what you do to me
