Strophe 1:

Once had a woman sweet as an apple on a tree
Once had a woman sweet as an apple on a tree
(But) I had to look out there was a swarm of honey bees

Strophe 2:

She had no need of, no powder or no paint
She had no need of, no powder or no paint
She needn't be no one, nobody that she ain't

Strophe 3:

She's been so sweet, nothin' to hold'em off
She's been so sweet, nothin' to hold'em off
To keep her by my side, my money wasn't enough

Refrain

She's so hot, she's so sweet, she's so hot, sweet she's all I got and need
To keep her by my side, my money wasn't enough
